## Example of a typical tour

Locations:

**Agadir – Kasbah Tizourgane – Tafrouit – Tissint – Akka Nait Sidi – Fom Zguid – Tazenakht – Taliouine – Agadir**

Arrival from: Agadir  
Duration: from 8 days  
Accommodation: Specially selected Riads and Kasbahs, Desert camps and interesting Desert Hotels

\*At the airport you will be welcomed by your tour guide. Your first night will be spent in **Agadir** which is situated on the Atlantic coast and has magnificent beaches.

\* We drive through the foothills and valleys of the **Anti-Atlas** surrounded by black volcanic mountains opening up into an oasis with its huge Argan and Almond plantations.

We arrive at the Kasbah Tizourgane which is located in a truly spectacular, peaceful and remote setting. It is a fascinating ancient monument and feels like a step back in time.

This is an ideal place for Yoga, the spacious roof terrace lends itself to relaxation whilst enjoying the lovely views and silence of this unspoilt and little visited part of the Anti-Atlas Mountains. Excursions are available to the markets, Hamman, Henna Painting, and an opportunity to cook traditional Moroccan food.

Stay 1 or 2 nights.

\* We continue our journey to **Tafraoute** set in a mix of oasis and mountain landscape. Surrounded by huge rock formations, it is one of the quietest most friendly villages where we see how the old traditional clay houses were built. You can walk into the sands of the desert to see the spectacular colourful rocks. In this area we visit a ladies cooperative and a very different medina.

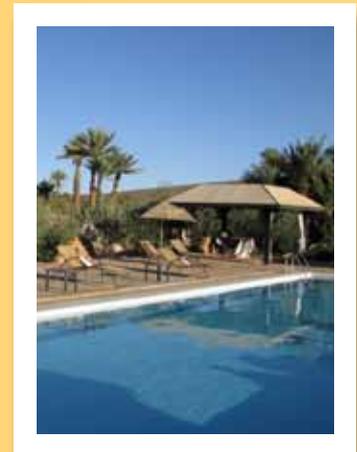

Stay here for either 1 or 2 nights.

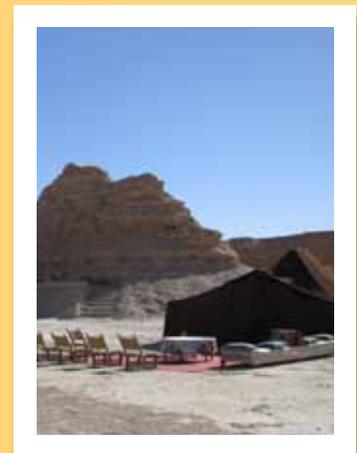

\*The next day we go eastwards and make our way to **Tissint** with its wide deserted streets and small settlements. The changing hilly landscapes with magnificent colour structures suddenly leads us to a 30 meter deep dry river bed. Here we find the solitude of Akka Nait Sidi a luxury desert camp which will be our home for the next 2 nights.

\*Alternatively you can spend the night at Bab Rimal close to the oasis village of **Foum Zguid**. This is a very interesting and luxurious desert hotel with bungalows built in the style of a nomad tent.

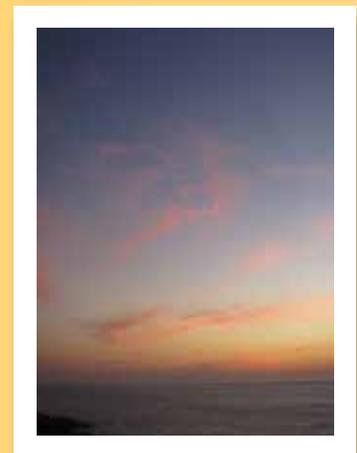

\*We continue the journey onto **Tazenakht**, where we observe the manufacturing of locally made carpets in a ladies carpet weaving cooperative. We move further across the Anti-Atlas with its stunning panoramic views, a bizarre mixture of colourful mountains and oasis landscape. **Taliouine** is the main growing region of saffron and here we learn about the cultivation and its harvesting. Overnight stay.

\*The next day we head for **Taroudant**. It is one of the most elegant towns in Morocco, surrounded by tawny brown walls. Taroudant is a very friendly, relaxed place with all the good natured bustle of a Berber market town. A beautiful Medina invites you to take a leisurely stroll of discovery. Overnight stay to enjoy the elegance of the Pasha Palace.

\*On our last day we make a leisurely journey back to **Agadir**

\*Every day we will have the opportunity to practice the art of Yoga at a different venue with its own unique ambience.

*Thanks to our years of experience and excellent connections we are able to create the perfect trip just for you.*
